

2018 Bourbon County Fair Book is dedicated to  
 “The Silver Queens – A Bourbon County Proud  
 Product”

Janice Sosby and Carolyn Walls

Both Janice and Carolyn are from Bourbon County, raised their families in Bourbon County and believe in making Bourbon County a pleasant place for everyone. This belief carries over to their dedication to Bourbon County Fair.

This book is dedicated to them in appreciation of over 25 years of volunteering service to the Bourbon County Fair and Horse Shows. They come as a team and work as a team. They are both Bourbon County Extension Homemakers that believe in “giving back” to their community.

During their years of service they have been at the fair every year to assist with entries, run the information/office booth nightly and to prepare and serve at the horse shows. Their humor, knowledge of operations and hospitality are irreplaceable. Many hours have been clocked by each of them to make Bourbon County Fairs successful.

Their time, energy and dedication is appreciated. While attending the fair stop by the Exhibit Hall and say thank you for caring about Bourbon County.

Thank you Janice and Carolyn!
