Sponsors of Cyndi Steele Family Petting Zoo

Years of much enjoyment for small children at the Bourbon County Fair has been provided by Cyndi Steele and her family. Chickens, Ducks, Geese, Goats, Calves, Horses, Ponies, Llamas, Cows, and Rabbits

Whatever is safe for the little people have all been a part of Cyndi's Petting Zoo. All of the animals get along with each other. The cost and work that is involved is a considerable amount. All of this has been made available by the The Steele Family.

Cyndi and her Family is there to educate you about the animals the children will pet. When you visit the Petting Zoo, be sure to tell the Steele Family how much you appreciate their hard work. Thank you to the Steele Family.
